# GUSTAVO LACERDA LIMA

ADMINISTRATIVE ASSISTANT

+55 (47) 98917-2115 | gustallacerda@gmail.com | Santo André – SP, Brazil

## OBJECTIVE

To work as an Administrative Assistant, bringing organization, document control and quality service to support the company's daily routines and grow with the organization.

Hands-on experience in administrative routines, document management, customer service and logistics support, gained in the healthcare, technology and retail sectors. Proficient in Microsoft Office, currently pursuing a degree in Systems Analysis and Development, with an organized, proactive and detail-oriented profile.

## EXPERIENCE

**Cakto** · **Junior Support Analyst** Jun 2026 – Aug 2026

- Triaged, logged and resolved customer tickets, diagnosing issues.
- Guided users on how to use the platform.
- Contributed to the continuous improvement of support processes and customer experience.

**Unimed** · **Hospital Access Receptionist** Dec 2025 – Jun 2026

- Welcomed patients, visitors and companions with caring, respectful service.
- Registered and verified personal data to grant access, following security and confidentiality protocols.
- Directed visitor flow and provided information on departments, visiting hours and hospital policies.

**Urbano Parts** · **Shipping Assistant** Nov 2024 – Nov 2025

- Issued and checked invoices (Brazilian *notas fiscais*).
- Organized and controlled inventory; supported inbound and outbound logistics.
- Packed products efficiently, ensuring their integrity.

**Mercadocar** · **Automotive Service Operator** Aug 2024 – Sep 2024

- Performed quick automotive maintenance following technical, quality and safety standards.

**Faisa (Clasa)** · **Apprentice (Young Apprentice Program)** Jan 2023 – Apr 2024

- Updated spreadsheets and organized physical and digital documents.
- Handled phone calls and front-desk reception.
- Drafted meeting minutes and provided meeting support.
- Managed filing and document control.

## COMMUNICATION

Experience in in-person, phone and digital customer service, both in a high-traffic environment (hospital) and supporting users of an online platform. Clear, courteous communication with confidential handling of information.
